# Enrollments	14	11										**55,085**

[1] The referral counts for both rate classes do not include numbers from PECO as PECO does not track, by rate class, the number of calls from its CSRs to Allconnect's CSRs.

[2] PECO's enrollments are included in this data.

* "AllConnect Referrals to EGS – Accepted" differs from "DLC Enrollments" due to several factors, including (1) difference in date of AllConnect referral date and EGS enrollment; and (2) EGSs do not enroll all referred customers"

**DLC had no SOP providers beginning June 2022; these residential enrollments were from May, but were not entered by suppliers until June.

*** In its recent default service proceeding, the Commission approved a settlement that terminated the Standard Offer Program on May 31, 2025. See Petition of Duquesne Light Company for Approval of Its Default Service Plan for the Period from June 1, 2025, through May 31, 2029, Docket No. P-2024-3048592 (Opinion and Order entered January 14, 2025). Accordingly, this will be the final Monthly Standard Offer Program (SOP) Statistics Report submitted to the Commission.

Met-Ed Standard Offer Program Information through September 30, 2026

[1] PECO does not track, by rate class, the calls transferred from its CSRs to Allconnect's CSRs ("referrals").

[2] As of April 2015, PECO no longer offers a web function for enrollment in the SOP. The "Enrollments" listed aboive are customers that were referred and agreed to be in the Standard Offer Program.

[3] Until March 15, 2015, in order to participate in PECO's SOP, an EGS must agree to serve both Res. and Small Comm. Effective beginning 3/15/15, EGSs were given the ability to serve either Res. or Small Comm. or both.

August 2019: PECO changed vendors for the PSEC Referral Process. The effective start date for Kandela was 8/12/19 and the effective end date for Allconnect was 8/15/19.
